

2015 PROJECT PROPOSAL

DUE DATE: June 01, 2015

www.michigan.gov/dnrtrails

Focus of this 2015 funding program is on trail segments prepared to go into the planning or engineering/design phase in 2015. THIS IS A REIMBURSEMENT GRANT PROGRAM.

MICHIGAN'S IRON BELLE TRAIL FUNDING CRITERIA:

- All projects will meet Americans with Disabilities Access (ADA) requirements.
- All projects on the bicycle route will use AASHTO design standards (in certain cases reduced width is allowed; requests will be reviewed on a case by case basis.
- Applicants will be Local Units of Government or an established Trail Authority.
- Trail segment is on the proposed trail route (map available on request).
- Applicants will have site control (after planning, if route is being determined) and will be the manager of the trail segment that funding is applied for.

ELIGIBLE SCOPE ITEMS: Route planning and development engineering/design assistance, materials for water crossing/wet area structures on the North Country Trail segments.

Unit of Gov't/Trail Authority: _____ Project Contact: _____ Date: _____
